

Please only apply if you have a qualification in childcare at Level 3

Excellent rates of pay

40+ hours per week (Monday to Friday)

Due to an increase in numbers at our nursery settings we have a vacancy for the role of a Nursery Practitioner.

Wolds Childcare is a small setting which prides itself on its generous childcare ratios. We offer a home from home environment catering for children from 3 months to 5 years in age. Our daily routine focuses on plenty of real life, outdoor-based activities and situations, not just nursery-based play.

We are seeking to employ a highly motivated and hardworking Nurse Practitioner or Early Years Educator, level 3 qualified. We are looking for the right person to join our friendly, warm, hardworking team. The right candidate must have an outgoing personality, be flexible, hardworking and passionate about children's learning, play and development with a sound knowledge of the EYFS. We are looking for a committed and knowledgeable person who can fit into the role.

The successful candidate will initially be working in a busy nursery environment. The candidate will be a key person and responsible for monitoring children's progress within the EYFS.

Candidate must be an effective communicator both orally and written.

You will need to demonstrate your commitment to children, treating every child as an individual and ensure their personal development needs are being met, in line with the EYFS and the nursery's approach. You will do this by ensuring your key children's development records are up to date and fully reflect their individual progress and following thorough company policies and procedures.

Key attributes:

- Being passionate about early years education & care and empowering our children to reach their maximum potential.
- Excellent knowledge, understanding and recent experience of the EYFS Framework and regulatory requirements.
- Have strong written and verbal communication skills

Key Duties:

- To ensure the very highest standards of child development, care and nurturing is maintained and enhanced.
- With guidance from room managers, plan and deliver the daily activities.
- Be able to observe, plan and assess children's learning and development.
- Be capable of maintaining children's development records and writing reports.
- To develop professional relationships with parents and carers.
- Work alongside senior management to achieve excellent standards.
- Maintaining a safe, secure and caring environment.
- Be able to follow, implement and adhere to company policies and procedures.

In return, you will receive:

- Job satisfaction.
- Performance related pay rises.
- Have a supportive working environment, which values everyone and provides opportunities for further personal and professional development.
- Be part of an expanding business that could lead to your progression within the company.
- Be offered a competitive wage depending on qualifications/experience.
- Training and support can be provided for the right candidate.
- Christmas week closure
- August week closure
- Working four full days a week and have a set day off.

We follow a safer recruitment and selection process. Only candidates who pass our initial screening will be contacted. Following interviews and a work trial, you will be expected to pass the referencing stage and pass a full/enhanced DBS check prior to employment. We strive on being an equal opportunities employer.
