Course 2
2 Nov, 16 Nov 2024, 1 March 2025 (TBC)

This practical training will equip early years practitioners working with children from birth to five, with a Growing Talk Practical Tool Kit of tried and tested ideas, activities, interaction strategies and approaches, all designed to enhance opportunities and planning for developing children's early communication, language and vocabulary development.

"A teacher and a speech and language therapist that combined forces and created a programme to enhance children's early communication and language skills - genius!
I wish I had known about it sooner."

★ Course Details ★

Who should attend

Early Years/pre school practitioners and room leaders who have responsibility for enhancing and nurturing children's communication, speech and language development (ideally with a minimum Level 3 qualification)

Where possible, it is recommended that a minimum of two practitioners per setting attend.

What will I learn?

This practically focused course is designed to equip practitioners with tried and tested practical ideas for enhancing early communication and language, together with the strategies that will support quality interactions.

The course aims to

- ★ Provide practical support in planning for and providing quality language learning experiences and opportunities that can be used throughout the day or as part of adult led activities
- ★ Share and demonstrate how the Growing Talk Programme of practical, simple resources, activities, songs and rhymes, can be effectively used to enhance the essential building blocks children require to become confident communicators
- ★ Further enhance practitioners' strategies and interaction styles to maximise their opportunities to develop every child's skills in communication and language
